INNOVA Tomorrow TING

We bring to you a new fashion trend in contemporary homes, encompassing any piece of furniture with a shiny and highly reflective, super smooth, polished finish, imagine replicating this look with just about any type of furniture-from bathroom cabinets, to glossy living room furniture to elegant fitted wardrobes in the bedroom. It looks stunning . It creates a fabulous contemporary look in any modern house, apartment, showroom, office restaurant, receptions, conference room, retail counters etc.

This unique finish created a smooth, clean, contemporary and minimalistic feel in any home. It brightens up any room by reflecting light instead of absorbing it. By day, as long as there is some sunlight entering the house, your new glossy surfaces will keep the house illuminated and energetic. By night, it reflects artificial light provided by overhead light and lamps. This adds another dimension to flat or dull spaces, can completely changes the look of a room.
